

# Skip Jones

## Qlogic Director of Technology and Planning

Skip has been with Qlogic for the past 13 years and has 22 years of experience in the storage industry in engineering, marketing, sales, and management roles. He is an outspoken evangelist and industry spokesperson for storage networking. Skip has served on the Board of Directors of the Fibre Channel Industry Association (FCIA) for the past 8 years and is Chairman of the FCIA's Speed and Roadmap Forum. He has served on the Board of Directors of the SCSI Trade Association (STA) since its inception nine years ago and is currently on the Board of Directors of the Blade Server Alliance.

Skip is named in two Qlogic SCSI chip patents, and is a recipient of the SCSI Trade Association "Recognition of Outstanding Contribution" award, and been recognized by the Smithsonian Institution for his role in developing the first 5.25" SCSI disc drive. He is a contributing editor of ENDL "The SCSI Encyclopedia" as well as numerous other publications and is a graduate of the Oklahoma State University in Electronic Engineering.
